LG 8550

The TU515 is more than a pretty face. It brings the full Rogers Vision services to the masses which includes video telephony, YouTube® video streaming and the availability of MySpace™ Mobile.

With HSDPA 3.6, the LG TU515 is one of the fastest phones in Canada, with unparalleled download speeds for media and music as well as instantaneous internet browsing.

It's more than a high tech phone, it keeps up with the speed of your life.
